

## **Information about Athletes' Village for participants of FINA World Masters Championships**

Checking into the Athletes' Village begins on August 1, 2015. The Village will be open until August 20, 2015.

The complex includes 28 buildings that are arranged in three clusters, two of which are designed to accommodate athletes.

The Athletes' Village is divided into two functional zones: a residential one and an international one.

### **International zone**

The international zone comprises the Main International Centre, hospital and parking lots.

The Main International Centre runs the following facilities:

- Accreditation centre
- Offices selling tickets to sporting events
- Air and railway ticket booking office
- Souvenir shop
- Information centre
- Bank services
- Mobile network operator services
- Participants' check-in/check-out
- Financial services
- Registration of foreign citizens
- Café
- Athletes' dining area

### **Residential zone**

The residential zone features residential buildings, Flag Alley, souvenir shop, supermarket, beauty salon, tailoring and dressmaking service, event venue, sports rental and other facilities such as bank, post office, etc.

Athletes are accommodated in double and triple rooms. Each room is air-conditioned. All lobbies of the residential buildings have free Wi-Fi.

Apart from lodgings, the residential buildings include pick-up/drop-off laundry and ice-making machines.

All buildings in the territory of the Athletes' Village are equipped with video surveillance, A/C, as well as security and fire-alarm systems.

During their stay in the Athletes' Village, all guests must abide by the accommodation rules and the fire safety regulations. It is prohibited to smoke and to consume alcohol, drugs or toxic substances in the territory of the Athletes' Village.

A medical centre will be operational in the Athletes' Village to render medical services to participants of the World Championships. EMS will be available 24/7 free of charge. Other services such as help of specialised doctors, massage, and physiotherapy will be provided for a fee.

A shopping mall is located within walking distance of the Village. It offers a comprehensive range of services: dry-cleaning, shoe repair, tailoring and dressmaking service, beauty salon, bar zone, supermarket and cinema.
