The individual compound (the „Bitskey memorial“):

The memorial cup will be: 100m backstroke.

- Besides the events advertised in the call for participation we will have a complex five-event competition, in which the first three swimmers will be rewarded. Separated in the male and the female

categories the participants of this competition will be those who swim in each 50-meter event (freestyle, breaststroke, backstroke, butterfly) as well as in the 200m medley. The assessment will be based on the summary of the points (percentage based) weighed in each of these five events, and the winner will be the swimmer having the highest number.

The announcement of the results of this memorial compound will follow the 400m freestyle event.

The results of the teams will be calculated on the basis of the average of the results of the swimmers of the clubs and the number of their starts.

The results of these individual events will be added and that will be the final result of the memorial cup.

Please, be aware of the „only one start” rule during the whole competition!
