General provisions

We are working on the realization of the 3rd Vienna Aquatic Xmas Swim, in which all conditions of the federal and local government will be observed. The goal is to organize a competition, which serves as a motivation for our youngest swimmers and should be a bright spot on the further way to normality. Short-term changes and also a cancellation are possible at any time. To facilitate planning, we ask all clubs to communicate their interest in participating to us in advance at office@viennaaquatic.at. These clubs will then also be given priority in the registration process in case of a necessary allocation.

Spectators are foreseen but must be registered in advance and their contact details should be provided immediately when submitting entries (name, telephone number, email address or home address).

The 2.5G rule (vaccinated, recovered, PCR-tested) applies to entry to the event for all participants. Children under 12 years of age are excluded, for whom an antigen test will also be accepted.

With the submission of the entry form the registering clubs assure that the swimmers registered by them can prove their sport health and that the examination at the time of the entry deadline does not date back longer than 12 months. In any case, the Covid-19 regulations applicable to the competition, among others, regarding 2.5-G rule, which will be sent to the participating clubs at the time of the preliminary entry result, must be complied with. Due to valid COVID-19 regulations the organizer reserves the right to reject entries or to shorten the number of heats for organizational reasons or to cancel competitions. With the entry, the club confirms that its athletes and attendants do not have any current symptoms of a Corona infection or any other infectious, flu or cold disease and that no such symptoms are known in their immediate personal or professional environment. Likewise, each participating club names a Covid representative and confirms that it has familiarized itself with the "COVID-19 Safety Measures" published at the same time as the registration result and that it will comply with them without exception.

Eligibility: Two competitions will be held as part of the Vienna Christmas Swim. In the competition with the events 1 to 28 only swimmers with a valid swim license (from a club, where the corresponding national association is a member of FINA) are eligible to start. The swim times will be recorded in the OSV database or provided as a Lenex file.

In the competition with the events 1R and 2R (fun events) all hobby swimmers are eligible to start.

Seeding: The heats will be seeded according to the specified entry times.

Entries: For electronic registration please mail to post@msecm.at with a copy to office@viennaaquatic.at • c/o Florian Rott • Penzingerstrasse 27/9 • A-1140 Wien • Tel.: +43 660 3474637. Download the Invitation and the LENEX-File from www.viennaaquatic.at/xmas/. Registrations can also be made via internet on www.cis-online.net.

To ensure high quality in terms of organization we kindly ask you to enter exclusively the best times achieved within the last 12 months on a 25m lane.

Entry fees: €5,00 per single start and €15,00 per relay is to be transferred at the time of entry to the Club's bank account IBAN AT36 3200 0000 1170 2776.

Award ceremony: Takes place during the competitions in order to have enough time for the final award ceremony (best swimmers of each class and relay awards)
